## Sign Language

223503

(Ages .2 - 3)

Instructor: Sheryl White

Why teach babies sign language?

It gives babies the ability to express themselves before they can speak; it accelerates baby's development of speech and enhances early literacy skills. Learn how to reduce frustration and help give your baby the ability to communicate before he/she can speak. Review research and benefits, learn and practice several signs, and learn how to teach American Sign Language to your baby! You will learn everything that you need to know to get started signing right away.

## Bitty Builders

224913

(Ages 3 - 5)

Instructor: Diane Dinell

Basic principles of science, technology, engineering and architecture will be introduced in this class. Activities are designed to trigger young imaginations and to build their confidence in problem solving and critical thinking. Each week children will design and construct unique creations with a hands-on learning experience. Every class will introduce the pre-school builder to a new construction material. Some materials may include wooden blocks, LEGOs, popsicle sticks, Lincoln Logs, marshmallows and MUCH More!! Every week a picture will be taken of your child with their creations and at the end of the session, you will have an album to share with friends and family.

## Knuckle Bones Soccer

**223102**

**(Ages 2 - 3)**

**Instructor: Knuckle Bones Staff**

This proven clinic will help children learn the beginning skills, technique and etiquette of soccer. Starting with soft Rhino Skin balls, slowly moving up to size 3 soccer balls, children actively engage in learning everything from passing and kicking, to heading and dribbling skills. Each class begins with a short discussion of the game of soccer, stretching and calisthenics, skill lesson, followed by soccer activities and a soccer game. You will be amazed and your child will feel empowered as they improve throughout this session. Parents are highly encouraged to participate with their child in this program. All must wear appropriate athletic attire and sneakers.

## Pony Power

232201

(Ages 2 - 5)

**Instructor: Century Mills Stable Staff**

A class made just for children ages 2 - 5! Our wonderfully patient small ponies are ready to teach your child the basics of horsemanship. Children will learn how to handle, groom, and tack up the pony, and will spend time in the saddle as well, working on basic control and position. Parents are encouraged to actively participate in the learning experience, and will be taught how to work safely around the animals and how to help their child have a safe and positive experience with the ponies. Century Mill Stables is conveniently located just 3 minutes from 495 and has an indoor ring for classes to run in all weather.

## Royal Tea Party

224302

(Ages 4 - 8)

**Instructor: Janet Parnes**

The magic of a royal coronation blends with the charm of a children's tea party to produce an event that will enrapture any little girl or boy who has dreams of becoming a princess or knight. "Pink" prevails at this event, which includes a red-carpet

coronation, review of simple table manners and introductions, an elegant table, tiaras/crowns; a tea-party tale; and the hilarious "The Polka-Dot Princess story/game." Each child receives a pink satin or silver cape to wear for the event and tiara/crown, scepter, and summary of skills taught.

## Mad Science

224902

(Ages 5 - 8)

**Instructor: Mad Science Staff**

Join the Mad Science hands-on science fun. We're crazy about science...and hope you are too! There will be exciting hands-on activities, spectacular demonstrations, inquiry-based discussions, and amazing projects to make and take home. We'll investigate the powerful processes that shape the Earth and form rocks, minerals and gems; try out different types of simple machines ... levers ...incline planes ... wheels ... and pulleys; and discover how hurricanes, tornadoes and thunderstorms develop and how powerful they can be! We'll also learn first hand how advances in science and technology are behind our favorite movie special effects and get our left and right brains working together and discover the links between science and art; and examine and investigate what life is like under the sea.

## Irish Step Dancing

224002

(Ages 8 - 18)

**Instructor:**

**Bonnie Severence**

Students will develop an understanding of traditional Irish step dancing through lessons aimed at teaching each student in a supportive and progressive fashion. Students will keep journals of dance steps taught to practice at home. Skills to improve will be emphasized each week as new steps are added. Each class will include beginner soft shoe steps (reels and jigs), as well as ceili (group/team) dancing. If you are Irish this is a great way to connect with your heritage! Students should wear T-shirt and shorts, or leotard. (Girls in black ballet slippers & Boys in a simple black jazz shoe) Please bring a notebook and water bottle to class.

## Robotics 1

224914

(Ages 8 - 15)

**Instructor: Ed Harrow**

Participants in the course construct a sound-activated robot (Jungle Robot) to keep when the program is finished. The robot is activated by clapping one's hands or by otherwise making a loud sound. Once started, the robot continues to operate for a predetermined (adjustable) period. This kit is relatively easy to assemble, and provides an excellent introduction to geared mechanisms. It's gearbox features both a change in the axis of rotation and change of speed between input (from motor) and output (to drive mechanism). Additionally, the robot can be assembled to "walk" or travel "hand-over-hand." Changing from one mode to the other is simple, and adds to it's entertainment value.

## Speed and Endurance Running

220201

(Ages 6 - 12)

**Instructor: Kathy Fleming**

Speed and endurance are two essential qualities that kids need in most sports to be able to compete to the best of their ability. Kathy Fleming, a 1996 Olympic Trials Finalist, a current Distance Medley Relay World Record holder, and former Cross Country and Track Coach at Boston College, can help you become a better all-around athlete. Through drills, hill running and by working on running form and strength, your athlete will reach to new levels. This program also focuses on the basics of relay running and most importantly having fun! Bring your running shoes and a water bottle and get ready to sweat.

## Babysitter Training

231503

(Ages 11 - 15)

**Instructor: Alice Wadley**

The purpose of this course is to train individuals in baby-sitting responsibilities; characteristics of children; supervising and playing with children; basic care such as feeding and changing; emergency response; and first aid care for injuries and sudden illnesses. Participants also learn to recognize and provide basic care for cardiac emergencies in children and infants until advanced medical personnel arrive and take over. Upon successful completion of this course, students will receive a Babysitter's Course completion certificate, an Infant and Child CPR certificate valid for one (1) year and a First Aid certificate valid for three (3) years. Please bring a bagged lunch and beverage.

## Horse Power

232202

(Ages 6 - 12)

**Instructor: Century Mills Stable Staff**

Have a horse crazy child between the ages of 6 and 12? Horse Power is designed to give both children and their parents a broad-based introduction to horses in a fun, interactive class. Start each session by learning to handle, groom and tack up a horse. End each class with a group riding lesson where kids get to learn the basics in the saddle and parents can learn how to safely help them. Our licensed, upbeat instructors and happy, well-trained horses will make sure you and your child have a positive first horse experience. Century Mill Stables is conveniently located just 3 minutes from 495 and has an indoor ring for classes to run in all weather.

03	Sat	3 - 3:50 pm	Jun 9 - 30	\$180

### Directions to Century Mills

Century Mill Stables is only a stone's throw from Route 495 – How one gets to Route 117 from Wellesley is pretty much up to the individual and how well they know the area. Staying on major highways it is best to come to Route 495 from Wellesley via Route 9 or via Route 128 to the Mass Pike West. Go north on Route 495. Take exit 27 (Bolton/Stow exit) and at the bottom of the ramp take a left onto Route 117 toward Stow and then an IMMEDIATE right onto Route 85. Go one mile on Route 85 and take a right onto Century Mill Road. Century Mill Stables (#185) is one mile down on the right. Please call (978-779-2934) if you have trouble finding the stable.

## Hoof Beats

232203

(Ages 6 - 99)

**Instructor: Century Mills Stable Staff**

If you have taken our Horse Power class, or have some riding experience, Hoof Beats is for you! This 50 minute group riding lesson is open to everyone age 6 and up, and will focus on improving basic riding skills. Work on control and position at the walk and trot, learn basic jumping principles, and develop confidence in the saddle. Each rider gets their own pony to work with! Our licensed, upbeat instructors and happy, well-trained horses will make sure you have a positive riding experience. Century Mill Stables is conveniently located just 3 minutes from 495 and has an indoor ring for classes to run in all weather.

### Directions to Sweet Meadow Farm

Sweet Meadow Farm is a short 10 minute drive from downtown Wellesley. Head towards Natick on Central St/ MA-135 W for a little over 4 miles. Take a left turn onto Speen St and follow for 1 mile. Then take a left onto Coolidge St. Sweet Meadow Farm will be located on the right. For any questions/troubles please contact Sweet Meadow Farm 508-308-9194.

## Sweet Meadow Saddle Club

232206

(Ages 5 - 10)

**Instructor: Sweet Meadow Staff**

This is a program for beginner horseback riders only. Each week students kick off the class with an educational horse activity. Next they will get hands on experience with our wide variety of animals, learning proper handling diet and care for guinea pigs, bunnies, ferrets, miniature horses, mini cows, alpaca, emu, wallaby, goats, chickens and kittens. After the one-on-one riding lesson, students walk their horses back to the stable along with their instructor, to untack the horse and put them into their stall. Then the group feeds all the animals and learns regiments and proper medicinal care. The program is designed to accommodate all school dismissal times, so drop off is from 3-3:30.

**Location: Sweet Meadow Farm**

**Min: 1/Max: 3**

**3/5 weeks**

S#	Day	Times	Date	Price

## Puddlestompers April Vacation

215701

(Ages 3 - 6)

**Instructor: Puddlestompers Staff**

Let us lead your children in discovering the beauty and wonder of new life in the spring during PUDDLESTOMPERS April vacation week drop-off program! Learn how plants grow and look for rainbows after April showers. Search for signs of animals and their food sources. Investigate birds building their new nests. Discover worms and other exciting life in the soil. We'll explore a different topic each day through hands-on exploration, active movement and play, crafts, stories, and songs. Activity will be based at the Warren Recreation Center, with outdoor exploration along the adjacent nature trail. A snack will be provided each day, as well as a take-home craft and handout with additional activities and information to extend learning and nature discovery into your home. New! Extended time, stay for lunch! (Please send your child with a nut-free bagged lunch and beverage.)

## Sciensational April Vacation

224911

(Ages 7 - 12)

**Instructor: Sciensational Staff**

Activities Include: Work with an advanced and three dimensional construction kit that is yours to keep and take home. Be able to build and design your own creations. You will also get your own 3-volt geared motor. Power up a moveable Radar Surveyor with it. See how many other ways you can make your motor work for you. Work with the rods and connectors that allow you to join six sides at once. You can build simple or complex models. Build a vehicle, chopper, robot, buildings and much more. Join us the Sciensational way to build from directions and from your own imagination and design. Hands on is the only way! Bring a lunch and beverage.

## What is the Club Invention Program?

The Club Invention program is a nationally acclaimed, week long science experience filled with activities that foster creativity, teamwork, and inventive-thinking skills for children entering grades one through six. Children will enrich their understanding of science, math, history, and the arts by participating in five modules each day. All curricula align with national and state education standards.

## July 23 - July 27, 2012

Activity Number 324906-01

Dear Parent:

The Club Invention program was created by the National Inventors Hall of Fame Foundation and focuses on making learning FUN!

**Who:** Children entering grades 1 through 6 next school year

**Where:** Bates School  
116 Elmwood Rd.

**Date:** July 23 - 27

**Time:** 9:00am to 3:30pm

**Price:** \$310

**Registration Deadline:**

July 9, 2012. There is a \$50 cancelation fee before July 9. After July 9 there is NO refund.

**What to bring:** Please pack a bagged lunch. Also send your child in comfortable clothing that can get dirty.

**Health Form:** Due July 9  
Will be sent to you from Club Invention.

Children will participate in all modules during each day, and all curricula aligns with national and state education standards!

## Included in this year's DISCOVER curricula are:

### Inventureureka

Creativity and innovation are the foundation of the Inventureureka™ module. Participants will take a fantasy adventure on the Ci6000 Space Modulator Time Machine to explore serendipitous moments in invention history. Participants will build their own inventions and learn more about both the innovative as well as the adaptive parts of the invention process. They will be challenged to elaborate, refine, analyze and evaluate their ideas to improve their invention and explore the connections between science, technology, engineering and innovation.

### Action & Adventure Games

The Action and Adventure Games module scores a home run by combining physical activity and creativity. Children practice teamwork, cooperation, coordination, and creative problem solving processes during fun, energetic games. Employing the concept of upcycling, children use available materials to create completely new games. Unlike competitive games or sports, this module stresses creative problem solving, rather than winning or losing, and encourages active physical participation while boosting self-confidence.

### I Can Invent: Balloon Burst

In the I Can Invent: Balloon Burst module, children invent fantastical machines. Using science, creative problem solving, and hands-on applications, children advance their creative and critical-thinking skills. Working in teams, younger children focus on building inventions that burst water balloons, while older children create multi-step, balloon bursting Rube Goldberg-type machines, signifying their success.

### Magnetropolis

Participants are captivated during this magnetic island adventure as they explore science, technology, engineering, math (STEM) and creative problem solving during the Magnetropolis™ module. Participants are recruited to find a magnificent island by navigating hand-crafted upcycled ships to the last known location of the island while exploring science skills such as buoyancy, orienteering and magnetism.

## Rhythm Kids

325800

(Ages 5-10)

**Instructor: Rhythm Kids Staff**

Rhythm Kids is an innovative music and drumming program that enables children to integrate rhythm into their lives while having fun! This high-energy class blends hand drumming with singing, movement, and games designed to develop concentration and cooperation. Each Student will be provided with a djembe at class. The summer class will include instruction and time to solo and jam together. We will use different rhythms each session, it is fine to attend both weeks. for more information, visit: [www.rhythmkids.com](http://www.rhythmkids.com)

## Mini Musical Theater

322303

(Ages 4.5 - 8.5)

**Instructor: Cindy Wright**

An introduction to the wonderful world of musical theater! Children will sing, dance and act to bring a familiar story to life--each week will feature a different story. Time at each class will be spent learning songs, dances and dialogue working toward an informal performance at the end of the last class. The children will also help to make simple costumes and props for the performance. At the last class (Friday) all will meet 10:00am - 1:00 pm, with the performance at 12:30pm (family and friends welcome). Please have your child dress comfortably, with lightweight shoes, and bring a light snack and water bottle to each class.

## Wicked Cool: Physics Lab

324909

(Ages 7 - 12)

**Instructor: Wicked Cool for Kids Staff**

Join Wicked Cool as we gear up for some fun physics! In this ultimate physics challenge, kids will experiment with matter, motion and energy while learning how these concepts are related. In the morning, things will begin moving as we build the Marble Ski Jump and Ping Pong Catapult. We'll smash and crash cars learning about inertia and Newton's laws of motion. The fun continues with hands-on, fun-based explorations on motion, sound, light and heat. Kids that stay the full day will build the Robot of Mystery to take home! (Please bring a bagged lunch and beverage if you sign up for the full day)

## Sciensational: Prospectors Mystery Rock

324916

(Ages 7 - 12)

**Instructor: Sciensational Staff**

You are going to be a Prospector (you know those people who were always looking for gold). In this workshop you will get to excavate for valuable gems, fascinating rocks, and some ancient fossils. All are yours to keep. What hidden wonders will you find? The identities of the 10 specimens found in your Mystery Rock have been kept a secret from you. You will experience the thrill of discovery, much as prospectors did. Your specimens are in a hard clay material the same as prospectors found. You will have to get them out without breaking or scratching them. You will get an excavation tool, specimen brush, log book, sorting trays and labels. You will, as a Prospector, record the color, both wet and dry texture, and its ability to float for each of the 10 specimens you dig out. Make an educated guess with our help to whether each one is a rock, gem, or fossil. You will learn from us the exact name and classification. We give you hands-on science...Prospectors style - fun - educational - exciting!

**Location: Warren Building Min: 8/Max: 15**

## Wicked Cool: Rocket Science

324908

(Ages 7 - 12)

**Instructor: Wicked Cool for Kids Staff**

Rocket Science is a blast for any junior rocketeer! In the morning, our space scientists will learn about rocket propulsion by building compressed air rockets and rockets that blast off by chemical reactions! As flight engineers, kids will travel to infinity and beyond while they investigate how rockets get off the ground and soar to the heavens. During the week, kids will build an ultra cool rocket, and launch on Friday (safety permitting). In the afternoon, we'll learn all about the science of flight, and investigate how things fly. We'll travel across the solar system and learn about the rocky planets and the gas giants. We'll learn why what goes up must come down. Rocket Science with Wicked Cool For Kids will be out of this world! (Please bring a bagged lunch and beverage if you sign up for the full day)

**Location: Warren Building Min: 10/Max 25**

## Mad Science

324901

(Ages 6 - 11)

**Instructor: Mad Science Staff**

Join the Mad Science® hands-on science fun. We're crazy about science and hope you are too! We'll have a blast exploring science and how it affects the world around us. Become an honorary Mad Science assistant and learn about some of the awesome stuff from the Mad Science laboratory. Each day we'll have a different science theme with exciting activities, experiments and related games. Space, engineering, nature, and chemical magic are just a few of the exciting activity topics that kids can look forward to this vacation. The children will get a chance to play with our "cool" equipment and participate in some "hot" demonstrations. And the science doesn't stop when the Mad Scientist goes back to the laboratory! We'll have take-home creations so the fun and learning can continue.

## Sweet Meadow Animal Science

332209

(Ages 4 - 10)

**Instructor: Sweet Meadow Farm Staff**

A great hands on animal science experience for children who love animals! Children will start their day feeding our friendly barnyard animals breakfast. Then they will groom and learn how to walk miniature horses on a lead line, feed the baby kangaroo her bottle, and play with the baby miniature cows. Head over to the small animal room to learn to hold, feed, and care for a variety of small animals (drop off program).

**Location: Sweet Meadow Farm** Min: 1/Max: 3  
1 week

### Directions to Sweet Meadow Farm

Sweet Meadow Farm is a short 10 minute drive from downtown Wellesley. Head towards Natick on Central St/ MA-135 W for a little over 4 miles. Take a left turn onto Speen St and follow for 1 mile. Then take a left onto Coolidge St. Sweet Meadow Farm will be located on the right. For any questions/troubles please contact Sweet Meadow Farm 508-308-9194.

## Sweet Meadow Riding

332213

(Ages 4 - 13)

**Instructor: Sweet Meadow Farm Staff**

Spend a week of fun and learning this summer! Feeding, playing and learning how to care for all animals, such as deer, kangaroo, miniature cows, miniature horses and horses, baby bunnies and so much more. Each student will be properly paired with both an instructor and a horse based on their individual riding ability. They will learn how to groom, clean and tack up (put the saddle and bridle on) their horse. From there, they will lead the horse to our indoor arena and learn to ride and master the cues for walk, trot, and canter. Pizza party every day and Friday is parent's day.

**Location: Sweet Meadow Farm** Min: 1/Max: 2

## Pony Power

332203

(Ages 2 - 5)

**Instructor: Century Mills Stable Staff**

A class made just for children ages 2 - 5! Our wonderfully patient small ponies are ready to teach your child the basics of horsemanship. Children will learn how to handle, groom, and tack up the pony, and will spend time in the saddle as well, working on basic control and position. Parents are encouraged to actively participate in the learning experience, and will be taught how to work safely around the animals and how to help their child have a safe and positive experience with the ponies.

## Horse Power

332200

(Ages 6 - 12)

**Instructor: Century Mills Stable Staff**

Have a horse crazy child between the ages of 6 and 12? Horse Power is designed to give both children and their parents a broad-based introduction to horses in a fun, interactive class. Start each session by learning to handle, groom and tack up a horse. End each class with a group riding lesson where kids get to learn the basics in the saddle and parents can learn how to safely help them. Our licensed, upbeat instructors and happy, well-trained horses will make sure you and your child have a positive first horse experience.

### Directions to Century Mills

Century Mill Stables is only a stone's throw from Route 495 – How one gets to Route 117 from Wellesley is pretty much up to the individual and how well they know the area. Staying on major highways it is best to come to Route 495 from Wellesley via Route 9 or via Route 128 to the Mass Pike West. Go north on Route 495. Take exit 27 (Bolton/Stow exit) and at the bottom of the ramp take a left onto Route 117 toward Stow and then an IMMEDIATE right onto Route 85. Go one mile on Route 85 and take a right onto Century Mill Road. Century Mill Stables (#185) is one mile down on the right. Please call (978-779-2934) if you have trouble finding the stable.

## Thundercat Football Combo

320904

(Ages 7 - 12)

**Instructor: Thundercat Sports Staff**

Thundercat Sports pick TWO program! The Combo program is designed to give young athletes a fun learning experience in two sports. Flag football will be the focus of skill building activities and dodgeball will be more recreational adding to the experience. Unique games and activities will be mixed in creating a fun atmosphere. The program culminates with tournament day! Program is coed, and every participant receives a t-shirt, and certificate of achievement. For more information please visit [www.thundercatsports.com](http://www.thundercatsports.com).

**Location: Hardy School** Min: 8/Max: 30

## Speed and Endurance Running

320201

(Ages 6 - 12)

**Instructor: Kathy Fleming**

Your child will build a great foundation over the summer that will increase his/her speed and endurance through a system of dynamic running. This class, like the spring class, focuses on drills, speed running and speed endurance running while in a controlled track environment. Whatever your favorite sport, running faster and having more endurance is extremely important to improving in sports. This fun class will enable your child to get to a greater fitness level and have fun while doing it. With nine years of NCAA Division I coaching experience, Kathy Fleming can help empower your child through the sport of track running. This fun class caters to all levels of running ability. Educating on proper warm ups, hydration and nutrition and injury prevention are also included weekly. (Bring running shoes, water bottle and sunscreen.)

## John Smith Soccer

322900

(Ages 5 - 10)

**Instructor: John Smith Staff**

Join John Smith and his staff for a week to develop and improve soccer skills. The program is designed to make sure that each and every camper learns the basic skills of soccer and has incredible fun playing games which incorporate these skills and allow each individual to develop and enjoy their participation. The group has a unique schedule aimed at skills and fun with the ball. After a fun group warm up, the Soccer Juniors will practice their techniques and be introduced to the tactical aspects of the game. All kids will receive a ball and shirt. Please bring a bagged lunch and fill out a medical form which is available at [www.johnsmithsoccer.com](http://www.johnsmithsoccer.com)

## John Smith Flag Football

322101

(Ages 6 - 12)

**Instructor: John Smith Staff**

Patriots Alumni Flag Football camp run by John Smith Sports. John Smith was the Patriots kicker from 1973-83. The main objective is to make flag football fun and exciting. Each camper will receive their own ball and shirt. The first hour each day will involve playing fun warm-up games like ultimate football and planet football, games designed to include all the football skills that we will be working on all week. All players will learn ALL positions and specifically how to line up on offense and run receiver and running back routes. Each day will be playing flag games, 5 v 5, 6 v 6 and 7 v 7 offense against defense - huddling up, calling the plays on both sides of the ball and having fun playing the game.
